## VERSE 1:

**G/B** **C**  
On a starry night in Bethlehem  
**D** **G**  
Arrived a child the great I am  
**G/B** **C**  
The prophets had foretold the day  
**D** **G**  
When a rescuer would come our way  
**G/B** **C**  
For unto us a son was given  
**D** **G**  
And by His blood we'd be forgiven  
**Em** **C**  
A baby wrapped in humble clothes  
**D** **G**  
Was the promise of eternal hope

## BRIDGE:

**G**  
He is coming back again  
**D/F#**  
To fulfill His promises  
**Em**  
All our hope is found in Him  
**C**  
In Jesus

## CHORUS:

**G** **D** **Em** **C**  
His name shall be, Wonderful, Counselor, Everlasting Father  
**G** **D** **Em** **C**  
His Government, will have no end, on David's throne, He will reign forevermore

## VERSE 2:

**G/B** **C**  
One morning in Jerusalem  
**D** **G**  
Mary heard His voice again  
**G/B** **C**  
Three days had passed since He died  
**D** **G**  
But at once she knew He was alive  
**G/B** **C**  
He was born to die to give us life  
**D** **G**  
Born to be our sacrifice  
**Em** **C**  
Then ascending to His Father's side  
**D** **G**  
To forever reign and rule on high
